

Dear Parents/Carers...

Our book of the week:

This week we will enjoy listening to the story **Funny Bones**. We will encourage the children to join in with repetitive parts of the story and ask them to retell the story in the correct sequence. We will try to use the correct conjunctions **first, next, then, finally** to retell the story.

We will ask the children to recall what happened at the beginning, in the middle and at the end of the story.

The children will also have an opportunity to retell the story in our 'Funny Bones' small world area.

Ways you can help at home:

Handwriting:

Handwriting rhymes, we will learn in phonics this week...

c Curl round the heel of the sock.
k Down the sock, up and across,
back and down and to the corner.

Catchphrase: Rock that sock!

Around the elephant's eye and
down its trunk.

Down and around the umbrella,
stop at the top and down to the
bottom and flick

From the cloud to the ground, up
the arch and over the rainbow.

Mathematics – Repeated patterns

In Maths this week, we will be learning to recognise, create and continue a **repeated pattern**.

We will use a range of objects to create our repeated patterns - pegs, buttons, shapes, beads, and outdoors use leaves, twigs and pebbles.

Can you create your own repeated pattern at home? Please share these with us on Tapestry.

Talk Time:

This week, alongside Mrs Ince, we will revisit naming different parts of our body. We will look at 'Cyril the skeleton' in class and learn to use the words...

Skull, spine, hip, wrist, knee, thigh, elbow, joints, ribs, shoulder blade...

We will also be learning about our **5 senses**. What can we, hear, see, smell, touch, taste?

Tapestry:

Don't forget to share their home learning and achievement at home with us on Tapestry.

Thank you

From the EYFS team
