Kings Coronation art work

This week the children have been busy designing self portrait art work for the Kings Coronation. This Royal Portrait art work will be uploaded to the 'mychildsart' website over the next two weeks, and on Monday 17th April, your child will come home with a leaflet which will explain how you can log on to the website to order commemorative memorabilia – tea towels, mugs, place mats, key rings etc.

Orders will need to be placed by Friday 21st April, in order for them to be processed in time for the coronation day itself. This is a great opportunity to create a personalized piece of memorabilia to commemorate this special moment in history. Please look out for this leaflet arriving home.

Holidays in term time

Attendance today = success tomorrow!

Holidays must not be taken during term time as this has an extremely detrimental effect on your child's education.

The long term cost to your child's education of going on holiday in term time, far outweighs the short term gain of the holiday at the time. The £60 fixed penalty notice is the least of the costs; it is the impact on your child's future educational success that presents the greatest cost. Children miss vital learning that cannot be repeated. It is widely acknowledged that mental health and personal well-being flourish when children have good routines and engage with their learning. Holidays in term time are disruptive on both counts. **I urge you to prioritise the long term benefits of regular school attendance, over the short term impact of a holiday in term time.**
