

What have our pupil leaders been up to?

Learn Pupil Leader Team

The learn team meet up every Monday with Miss Brooks and read with year 1 children. This is to help young children learn, understand and read their books by speaking to older children willing to spread their knowledge.

Everyone who has taking part in the reading scheme has massively enjoyed it and are looking forward to continuing with it next term.

Sparkle Pupil Leader Team

The sparkle team talk about how they can make an impact to the world. They are currently making an assembly about how to live an eco lifestyle. This includes such things as:

1. Eating less meat
2. Save water
3. Recycle
4. Litter picking
5. Looking after nature

We all look forward to seeing this assembly soon

Shine Pupil Leader Team

The Shine team worship and talk about God. They read paragraphs from the bible to worship and respect the lord. They also meet up every Monday with a lady called Allison, they talk about why they worship God and the things they can do to do this such as:

Read the Bible

Say prayers

Spread the word of the lord

Create time to reflect

Digital Leaders

The digital leaders have created a newsletter and this PowerPoint to help keep you update about all the exciting things going on in school.

We have also visited the Bolton SICT Centre and have become E safety champions meaning we can now spread the word of how to be safe online.

The digital leaders have also been trained on how to use the laptop in assemblies and are now in charge.

Charity Fundraiser!

Our school have been organising a charity shop that will take place after Easter. We are hoping you can donate any un-wanted quality clothes. The shop will be open on the 24th and 25th April.
