“When you can’t control what is happening, challenge yourself to control how you react to it. That’s where your power is.”

“Learn, sparkle & shine...”

Mutual Respect and Tolerance

Seagulls are known for stealing food and can be a nuisance! Not everyone will feel this way. We can show respect to people who have different beliefs and opinions.

Protected Characteristics

A person's religion or belief can impact their regard for certain animals. This should never cause us to be treated unfairly.

UN Rights of a Child

We have the right to live in a clean and safe environment. Sometimes animals may damage our clean and safe environment, so measures need to be put in place to prevent this.

The NSPCC assembly helps us to understand healthy relationships and how to treat each other with respect.

Being mindful helps us to develop our spirituality, our sense of awe and wonder and our commitment to appreciate the gift of life.
