Individual Liberty

We all have the right and freedom to raise awareness of the things that are important to us. We should consider how we choose to do this and the impact it may have on others. We can all make a positive difference!

Protected Characteristics

Max was 10 years old when he took on his challenge. We can all set ourselves goals and challenges and achieve amazing things. Nobody should judge, underestimate or treat anyone unfairly because of their age.

UN Rights of a Child

We have the right to share freely with others what we learn, think or feel unless it harms other people.

Learning new playground games help us to stay safe by learning how to manage and regulate our emotions, develop self control and value kindness, love and friendship.

Being mindful helps us to develop our spirituality, our sense of awe and wonder and our commitment to appreciate the gift of life.
