In the same way, let your light shine before others, that they may see your good deeds and glorify your Father in heaven.

Matthew 5:16

"Learn, Sparkle & Shine..."

What Is Generosity?

Being generous means to be kind but also to give more of something than is necessary or expected.

Should people expect thanks for their generosity?

It's nice to receive thanks but part of being generous means you don't expect thanks.

Breaking a world record can be an amazing achievement but being the tallest, strongest, fastest, or heaviest isn't the most important thing to God. God wants us to follow the teachings and examples of Jesus, live our lives in the way He intended and use our gifts to help others.

Mutual Respect and Tolerance

The Guinness World Records provides a fantastic opportunity to see the gifts, talents and interests other people living all over the world have. I understand and respect that not everyone is the same as me.
