Rule of Law

Speed limits are put in place to reduce road accidents and keep people safer. These limits are law and if a vehicle exceeds them there can be consequences.

There are many rules and laws put in place to help keep us safe. In the Old Testament, God gave Moses a very special set of rules telling people how to live safely together.

These rules are called the Ten Commandments. In the New Testament, Jesus speaks about the two most important Commandments.

Prayer

Dear God,
Help us show respect for the laws and rules that keep us safe,
Thank you for the Ten Commandments that tell us how to live safely together,
Help us to think about other people,
Amen
