British Value - Individual Liberty

Individual Liberty

I am responsible for my actions. It is important to remember they can have an impact on people, places and things. We can choose actions that can help preserve and protect Antarctica.

What does The Bible Say?

The highest heavens belong to the Lord, but the earth he has given to mankind.

Psalms 115:16

Value Hope

God created the wonderful world. The Earth and everything in it are important to God and we have a responsibility to Creation as stewards. Our actions can have a ripple effect and not only impact parts of the world where we live but the whole planet. Sometimes we make mistakes; our actions may have a negative effect. We can say sorry and try to do better.

Value Hope

I alone cannot change the world, but I can cast a stone across the waters to create many ripples.

Mother Teresa - nun and founder of the Missionaries of Charity
