What does The Bible Say?

Jesus sat down opposite the place where the offerings were put and watched the crowd putting their money into the temple treasury. Many rich people threw in large amounts. But a poor widow came and put in two very small copper coins, worth only a few cents.

Calling his disciples to him, Jesus said, "Truly I tell you, this poor widow has put more into the treasury than all the others. They all gave out of their wealth; but she, out of her poverty, put in everything—all she had to live on."

Mark 12:41-44

British Value – Individual liberty

Individual Liberty

We are free to make our own choices and pursue our own goals. At times, it is important to consider those less fortunate than ourselves when making decisions in order to make the world a better place for everyone.

“True wealth is not measured in money or status or power. It is measured in the legacy we leave behind for those we love and those we inspire.”
