Changes to the law around holidays in term time.

The following changes will come in to effect in August 2024.

If an unauthorized holiday is taken in term time a fixed penalty notice of £80 will be issued. If within a 3 year period a further holiday is taken then an additional fixed penalty notice will be issued, that time at the cost of £160. If, after this, a further holiday is taken within a 3 year period the case will be taken to court.

This is a significant change to the law and is something I wanted to make you aware of in advance of the new rules coming in to place.

The holiday list for 24/25 is now available on our website!

Leave in Term Time and Appointments

We continue to have many requests from parents for holidays in term time. Please be aware that family holidays in term time are not allowed in law and are highly unlikely to be authorised.

Bolton Council strongly discourages pupil leave of absence during term time and you will be issued with a Penalty Notice if there are a sufficient number of days of absence. Penalty notices are issued per parent per child and can add up to a substantial amount of money. This year several parents have been issued with fines of over £400. Failure to pay the fines will result in court action.

In addition, we have seen a real increase in children being collected early for various appointments/reasons during the school day. This can be very disruptive for your child, for staff and for their class as a whole. Please make appointments for out of school hours wherever possible. We will always ask to see a copy of the appointment letter / card for our records.

We are mindful that some hospital appointments are difficult to change but these should be the exception.
