What does The Bible Say?

Jesus is God and he was born as a baby in Bethlehem. Jesus had a very clear sense of identity. He knew who he was and his life's purpose. His birth, life, death, and resurrection were part of a plan by God to restore the relationship between humans and God. Jesus came to show that all people are precious and special to God.

Mutual Respect and Tolerance

Every family or community has its own history, which can help to shape each individual member. When we understand and embrace this, we can treat everyone with empathy and respect.

Own your identity.
Love who you are
in world.
